Quality Care

Aloha Sitters has over 10 years of experience providing the highest quality care to our clients. Our team of childcare professionals is committed to offering a safe, fun environment for children while parents attend meetings, family functions, or enjoy a special date night.

Sitter Qualifications:

The safety of your children is our top priority & drives all of our policies & procedures. **Every one of our sitters has returned a clean background check, been reference checked, & is at least 18 years old.** Additionally, many of our staff have further training in special needs care, early childhood education, pediatric nursing, or other degrees & specialties.

Safety:

Some of our many safety protocols are...

- ☑ Sign-in/sign-out system that ensures children are only picked up by their parents or guardian
- ☑ Low ratios of sitters to children that are better than most state-licensed childcare facilities
- ☑ Two or more staff with infant/child CPR/First Aid certification at every event
- ☑ Sanitation procedures for toys, diaper changing, snack serving, etc. to keep kids safe & healthy

More than Entertainment:

Aloha Sitters is committed to providing a fun, educational experience for the children at your event. When you book Aloha Sitters, you can be sure that the children in our care will be in a nurturing environment with developmentally appropriate toys, games, art, & science activities. We cater to the whole child: physical, cognitive, social, & emotional growth are embedded in everything we do.

Unplug to Connect:

Children are bombarded with technology & media. For this reason, our events are totally tech-free. You will **never** see us using TV or video games to "pacify" your children! Our sitters use engaging activities to help children connect with others, make new friends, & develop lifelong social skills.

Booking Our Services:

Info We Need...

- 1) Location of the event
- 2) Times childcare is requested
- 3) Estimated number of children attending & their ages
- 4) Listing of any special needs*
**We will ask parents about allergies & special needs at check-in, however it is very important to notify us in advance for children who may need specialized care. Aloha Sitters believes in the value & dignity of every child, so you can trust that the information given to us will only be used to provide quality childcare without judgement or prejudice.*

What's Included in the Quote...
